

IStructure

```
graph BT; A[DwarfDB.DataStructures.Record] --> B[IStructure];
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled 'DwarfDB.DataStructures.Record'. A blue arrow points vertically upwards from this box to a white box labeled 'IStructure' at the top. The arrow indicates that 'DwarfDB.DataStructures.Record' inherits from 'IStructure'.

DwarfDB.DataStructures.Record
